Comparison & Coverage

1. Functionality Testing (0)

1.1. Installation Test Cases (5)

ID	Title	Run Test Cases	Latest (Coverage)
C188	Open App Store	Passed	Passed
C189	Search for SIVIG in the search bar	Passed	Passed
C190	Click on install	Passed	Passed
C191	Wait for the installation to complete	Passed	Passed
C192	Click Open after installation	Passed	Passed

1.2. UserLogin Test Cases (14)

ID	Title	Run Test Cases	Latest (Coverage)
C193	Open the SIVIG app	Passed	Passed
C194	Navigate to the login screen	Passed	Passed
C195	Enter an invalid email or password	Passed	Passed
C196	Enter a valid email and password	Passed	Passed
C197	Try to log in with an empty email or password field	Passed	Passed
C198	Enter an incorrect email format (e.g., missing '@')	Passed	Passed
C199	Try to log in again with correct credentials after failed attempts	Passed	Passed

C200	Log out from the app and try logging in again	Passed	Passed
C201	Click on "Forgot Password" link	Passed	Passed
C202	Enter the registered email address to reset the password	Passed	Passed
C203	Click on the password reset link received in email	Passed	Passed
C204	Enter a new password and confirm it	Passed	Passed
C425	Try the new password to log in into the app	Failed	Failed
C426	Set a new password by using (a-z, A-Z, 0-9, .,@#...)	Failed	Failed

1.3. Register User Test Cases (14)

ID	Title	Run Test Cases	Latest (Coverage)
C205	Open the SIVIG app	Passed	Passed
C206	Navigate to the registration page	Passed	Passed
C207	Enter an invalid email format (e.g., missing '@' symbol)	Passed	Passed
C208	Enter a valid email address	Passed	Passed
C209	Enter a weak password (e.g., less than 8 characters)	Passed	Passed
C210	Enter a secure password	Passed	Passed
C211	Enter mismatched passwords in the confirmation field	Passed	Passed
C212	Re-enter the password for confirmation.	Passed	Passed
C213	Accept the terms and conditions.	Passed	Passed
C214	Click on the "Register" button	Passed	Passed

C215	Open the email inbox and locate the SIVIG verification email.	Passed	Passed
C216	Click on the "Confirm" button in the email	Passed	Passed
C217	A confirmation message appears stating that the email has been verified	Passed	Passed
C218	Navigate back to the SIVIG application	Passed	Passed

1.4. Navigation Test Cases (11)

ID	Title	Run Test Cases	Latest (Coverage)
C219	Open the SIVIG app	Passed	Passed
C220	Click on the menu icon to open the navigation drawer	Passed	Passed
C221	Click on "Home" from the menu	Passed	Passed
C222	Click on "Llogaria ime" (My Account) from the menu	Passed	Passed
C223	Click on "Blerje Online" (Online Purchase) from the menu	Passed	Passed
C224	Click on "Dëmet" (Claims) from the menu	Passed	Passed
C225	Click on "Informacion dhe oferta" (Information and Offers)	Passed	Passed
C226	Click on "Filiale" (Branches) from the menu	Passed	Passed
C227	Click on "Ndihmë teknike" (Technical Support) from the menu	Passed	Passed
C228	Click on "Ndihmë" (Help) from the menu	Passed	Passed
C229	Click on "Rreth nesh" (About Us) from the menu	Passed	Passed

1.5. Llogarialme Display Test Cases (8)

ID	Title	Run Test Cases	Latest (Coverage)

C230	Open the SIVIG app	Passed	Passed
C231	Click on "Llogaria ime"	Passed	Passed
C232	Verify if "Profili" is displayed and editable	Passed	Passed
C233	Click on "Ruaj"	Passed	Passed
C234	Verify if "Mjetet e mia" is displayed	Passed	Passed
C235	Verify if "Policat e mia" is displayed	Failed	Failed
C236	Verify if "Karta e shëndetit" is displayed	Failed	Failed
C237	Verify if "Piket e mia" is displayed	Failed	Failed

1.6. BlerjeOnline Display Test Cases (11)

ID	Title	Run Test Cases	Latest (Coverage)
C238	Open the SIVIG app	Passed	Passed
C239	Click on "Blerje online"	Passed	Passed
C240	Click on "Shëndeti në udhëtim"	Passed	Passed
C241	Click on "KUFITARE"	Passed	Passed
C242	Click on "TPL"	Passed	Passed
C243	Click on "KARTON JESHIL"	Passed	Passed
C244	Click on "SIGURIMI I PRONES"	Passed	Passed
C245	Click on "Sigurimi i banesës"	Passed	Passed
C246	Enter the area and click the "Llogarit" button	Passed	Passed

ID	Title	Run Test Cases	Latest (Coverage)
C247	Click on "SME"	Passed	Passed
C248	Enter the required details and click the "Llogarit" button	Passed	Passed

1.7. InfoAndOffers Display Test Cases (11)

ID	Title	Run Test Cases	Latest (Coverage)
C249	Open the SIVIG app	Passed	Passed
C250	Click on "Informacion dhe oferta"	Passed	Passed
C251	Click on "INFORMACION"	Passed	Passed
C252	Click on "OFERTA"	Passed	Passed
C253	Click on "PRODUKTE"	Passed	Passed
C254	Click on "Pyetje të shpeshta"	Passed	Passed
C255	Click on "PRIMET E SIGURIMET"	Passed	Passed
C256	Click on "Shendeti ne udhetim"	Passed	Passed
C257	Click on "Kufitare"	Passed	Passed
C258	Click on "TPL"	Passed	Passed
C259	Click on "Karton jeshil"	Passed	Passed

1.8. Filiale Display Test Cases (6)

ID	Title	Run Test Cases	Latest (Coverage)
C260	Open the SIVIG app	Passed	Passed
C261	Click on "Filiale"	Passed	Passed

C262	Verify if the map is interactive	Passed	Passed
C263	Verify if branch names are displayed	Passed	Passed
C264	Verify if contact numbers are displayed	Passed	Passed
C265	Click on a specific branch	Passed	Passed

1.9. Technical Support Display Test Cases (6)

ID	Title	Run Test Cases	Latest (Coverage)
C266	Open the SIVIG app	Passed	Passed
C267	Click on "Ndihmë Teknike"	Passed	Passed
C268	Verify if the services are listed	Passed	Passed
C269	Verify if contact numbers are displayed	Passed	Passed
C270	Verify if a map is displayed	Passed	Passed
C271	Click on a specific service	Passed	Passed

1.10. MoreOptionsMenu Functionality Test Cases (5)

ID	Title	Run Test Cases	Latest (Coverage)
C272	Open the SIVIG app	Passed	Passed
C273	Click on "More options" menu	Passed	Passed
C274	Click on "Ndrysho fjalëkalimin"	Passed	Passed
C275	Enter the current password and new password, then confirm	Passed	Passed
C276	Click on "Dil"	Passed	Passed

1.11. Demet Display Test Cases (8)

ID	Title	Run Test Cases	Latest (Coverage)
C277	Open the SIVIG app	Passed	Passed
C278	Click on the "DËMET" button on the homepage	Passed	Passed
C279	Click on "DËMET"	Passed	Passed
C280	Enter a valid Claim Number and ID Card/NIPT, then click Search	Passed	Passed
C281	Enter an invalid Claim Number and ID Card/NIPT, then click Search	Passed	Passed
C282	Click on "DEKLARO AKSIDENT"	Passed	Passed
C283	Fill in all required fields and click the "Deklaro aksident" button	Passed	Passed
C284	Click on "AKSIDENTE TË DEKLARUARA"	Failed	Failed

1.12. Happy Path Test Cases (15)

ID	Title	Run Test Cases	Latest (Coverage)
C335	Open the SIVIG app	Passed	Passed
C336	Navigate to the Login screen	Passed	Passed
C337	Enter a valid username/email	Passed	Passed
C339	Enter a valid password	Passed	Passed
C340	Click the Login button	Passed	Passed
C341	View the Home/Dashboard screen	Passed	Passed
C342	Navigate through the main menu	Passed	Passed

		Run Test Cases	Latest (Coverage)
C343	Select My Policies / Llogaria ime	Passed	Passed
C344	View policy details	Passed	Passed
C345	Navigate back to the Home screen	Passed	Passed
C346	Select DËMET	Passed	Passed
C347	Search for a claim using valid data	Passed	Passed
C348	Navigate to Declared Accidents	Passed	Passed
C349	Navigate back to the main menu	Passed	Passed
C350	Log out from the application	Passed	Passed

1.13. Edge Cases Test Cases (12)

ID	Title	Run Test Cases	Latest (Coverage)
C360	Open the SIVIG app	Passed	Passed
C361	Navigate to the Login screen	Passed	Passed
C362	Enter a valid email with space (e.g., user@test.com)	Passed	Passed
C363	Enter a password at the minimum allowed length (boundary value)	Passed	Passed
C364	Tap the Login button multiple times quickly	Passed	Passed
C365	After successful login, immediately put the app in background and return	Passed	Passed
C366	Rotate screen	Passed	Passed
C367	Open Llogaria ime and scroll to the end	Passed	Passed
C368	Open a policy detail page and press Back repeatedly	Passed	Passed

ID	Title	Run Test Cases	Latest (Coverage)
C369	Submit a search request at DËMET, then disable internet mid-request	Passed	Passed
C370	Re-enable internet and tap Retry	Passed	Passed
C371	Search for a claim using valid data	Passed	Passed

1.14. Negative Test Cases (8)

ID	Title	Run Test Cases	Latest (Coverage)
C373	Open the SIVIG app	Passed	Passed
C374	Open the application without internet connection	Passed	Passed
C375	Navigate to the Login screen	Passed	Passed
C376	Try to log in with invalid credentials	Passed	Passed
C377	Log in successfully and open the main menu	Passed	Passed
C378	Click on a menu option while internet is turned off	Passed	Passed
C380	Select a menu option that requires data when no data exists	Passed	Passed
C381	Reopen the app after logout	Passed	Passed

2. Security Testing (5)

ID	Title	Run Test Cases	Latest (Coverage)
C338	Start a new data entry task in Sivig (e.g., filling out a form or uploading data).	Passed	Passed
C351	Simulate an unexpected app closure (force stop or crash)	Passed	Passed
C352	Reopen Sivig and check if the previous data is restored.	Passed	Passed
C353	Perform the same test with a network disconnection.	Passed	Passed

ID	Title		
C354	Force a device restart during the data entry process.	Passed	Passed

3. Acceptance Testing (19)

ID	Title	Run Test Cases	Latest (Coverage)
C355	Initial Application Launch. Open the SIVIG mobile application.	Passed	Passed
C356	Account Menu Access. Tap on the Llogaria ime (My Account) section.	Passed	Passed
C357	Profile Visibility and Modification. Access the Profili section to check data fields.	Passed	Passed
C358	Data Persistence (Profile Update). Modify a field and click the Ruaj (Save) button.	Passed	Passed
C359	Asset Listing (My Vehicles). Select the Mjetet e mia module to view registered assets.	Passed	Passed

C396	Verify error message clarity when incorrect credentials are entered in the Login form.	Passed	Passed
C397	Verify error message clarity during password change when the user enters the wrong current password	Passed	Passed
C398	Verify SignUp form displays a clear message if Terms and Conditions are not accepted. current password	Passed	Passed
C399	Verify SignUp form displays a clear message if Terms and Conditions are not accepted. current password	Passed	Passed
C400	Verify the clarity of the account confirmation messages after the SignUp process.	Passed	Passed

5. Performance Testing (3)

ID	Title	Run Test Cases	Latest (Coverage)
C482	Testing the screen loading speed.	Passed	Passed
C483	Navigation speed between application pages.	Passed	Passed
C484	Measure the amount of RAM consumed by the application during regular usage scenarios.	Passed	Passed

6. Compatibility Testing (0)

6.1. Compatibility Test Cases iPhone (8)

ID	Title	Run Test Cases	Latest (Coverage)
C485	Open the app on device	Passed	Passed
C487	Navigate through app menus and perform basic operations	Passed	Passed
C489	Test dark mode, VoiceOver, and Dynamic Text	Failed	Failed
C491	Test app performance under multitasking (switching between apps)	Passed	Passed
C493	Check push notifications (enable & receive test notifications)	Passed	Passed
C494	Perform network testing (Wi-Fi to 5G, Airplane Mode)	Passed	Passed
C495	Test device functionality integration (Camera, GPS, Microphone)	Passed	Passed
C496	Test uninstallation and reinstallation	Passed	Passed

6.2. Compatibility Test Cases Samsung (8)

ID	Title	Run Test Cases	Latest (Coverage)
C486	Open the app on device	Failed	Failed
C488	Navigate through app menus and perform basic operations	Failed	Failed

		Run Test Cases	Latest (Coverage)
C490	Test dark mode, VoiceOver, and Dynamic Text	Failed	Failed
C492	Test app performance under multitasking (switching between apps)	Failed	Failed
C497	Check push notifications (enable & receive test notifications)	Failed	Failed
C498	Perform network testing (Wi-Fi to 5G, Airplane Mode)	Failed	Failed
C499	Test device functionality integration (Camera, GPS, Microphone)	Failed	Failed
C500	Test uninstallation and reinstallation	Failed	Failed

7. Integration Testing (0)

7.1. Camera Integration Testing (4)

ID	Title	Run Test Cases	Latest (Coverage)
C467	Navigate to the section requiring camera access.	Failed	Failed
C468	Capture a photo using the in-app camera feature.	Failed	Failed
C469	Try uploading or saving the captured image.	Failed	Failed
C470	Deny camera permissions and attempt to access the camera again.	Failed	Failed

7.2. GPS Integration Testing (3)

ID	Title	Run Test Cases	Latest (Coverage)
C471	Navigate to a section using location services (e.g., "Filiale").	Passed	Passed
C472	Allow GPS access when prompted.	Passed	Passed
C473	Turn off location services and try accessing the feature again.	Passed	Passed

7.3. Bluetooth Integration Testing (3)

ID	Title	Run Test Cases	Latest (Coverage)
C474	Open the app and navigate to Bluetooth-dependent features.	Passed	Passed
C475	Attempt to pair with an available Bluetooth device.	Passed	Passed
C476	Disconnect the Bluetooth device and observe app behavior.	Passed	Passed
